The following classrooms are being updated with LCD projectors, screens, DVD/VCR, control units and consoles - these should be complete around the beginning of the Spring 2009 semester.

- James 166 and 171
- Mission Hall 109, 125, 126, and 127

These rooms have been arranged both to optimize space and to take advantage of the additional technology. Please do not re-arrange the layout of these rooms.
