Faculty Council  
February 14, 2000

Present: Bonnie Metcalf, Bruce Stokes, Marsha Savage, Dan Skubik, Dan Wilson, Nathan Lewis,  
Robert Jabs, Steve Sheere, Pat Kircher, Mary Crist, Wayne Swindall, Scott Key, Kathy Fagan.

• The meeting was opened with prayer.

• The minutes of the January 24, 2000 meeting were approved.

• The council reviewed the proposal to offer the Angelos courses, currently COA 112, at the upper  
division level for students who have taken two semesters of lower division publications coursework.  
The motion to approve offering Angelos at the upper division level was made, seconded and passed.

• The council reviewed the Communication Arts proposal for a new course, Argumentation and  
Debate. Following the proposed guidelines for offering a new course, the course should be offered  
as a Special Topics at least twice. If sufficient enrollment is maintained during the two offerings, it  
can be added as an independent course. The motion require the successful offering of  
Argumentation and Debate as a Special Topics course at least twice prior to course approval was  
made, seconded and passed.

• The council reviewed the proposal for graduation requirements for Candice Trummell, who is  
requesting permission to complete both a Bachelor of Arts and a Bachelor of Science, with three  
majors (Political Science, English, Philosophy). The motion to approve her program with the  
additional classes was made, seconded and passed.

• The council reviewed the proposal from Education to change the title of EDU 300 from American  
Public Schools to Introduction to Teaching. The course would be divided into two portions, with a  
2-unit lecture and a 1-unit field-work element. Also, the following courses will be offered at the  
undergraduate level, using the same course numbers previously used.
  EDU 315 Reading and Writing in the Content Areas  
  EDU 440 Classroom Management and Discipline  
  EDU 490 Curriculum and Instruction in the Secondary School  
  EDU 497 Curriculum and Instruction in Content Area Specialization  
  EDU 498 Student Teaching, The Exceptional Child  
  EDU 350 Computer Education for Teachers  
The motion to approve the changes to the Education program was made, seconded and passed.
