- Jonathan Parker opened the meeting in prayer.

- Sean Sullivan presented a proposal to create a major in health science with concentration options in gerontology, health management, and various pre-professional areas.
  - The proposed major consists of a minimum 32 units in comparison to the current biology major with 66 units or the kinesiology major with 51 units.
  - There is considerable flexibility in the upper division concentrations.
  - Four new courses were presented for approval for inclusion in the program:
    - HSC 3xx Public Health Promotion and Disease Prevention
    - HSC 3xx Epidemiology
    - HSC 4xx Health Science Internship (variable credit 1-3 units; cross listed)
    - HSC 4xx Special Topics in Health Science

The proposal was approved.

- William Flores proposed a major in Spanish.
  - Five new courses were presented to be offered as part of the proposed major:
    - SPA 233 Intermediate Conversational Spanish
    - SPA 355 Iberian Civilization and Culture
    - SPA 365 Survey of Iberian Literature II
    - SPA 422 Latin American Literature II
    - SPA 499 Capstone Seminar
  - The major will be tied to CCTC standards for Languages Other than English (LOTE).
  - Students who are exempt from lower division language courses will replace those units with additional courses at the upper division level.
  - The following changes to the catalog were recommended as a result of a self-study performed by the full-time Spanish faculty:
    - Changes to the catalog were proposed in the following course descriptions:
      - SPA 325 Spanish Grammar in Context and Composition - This course reviews elementary and intermediate level structures of Spanish and introduces advanced grammatical constructions. Emphasis is placed on developing correct writing skills in the Spanish language.
      - SPA 345 Survey of Iberian Literature - Covers multiple genres of literature produced in Spain from ancient times to the 16th century.
- SPA 421 Latin American Literature I - Explores Latin American Literature from early periods to the 19th century. Emphasis will be placed on different genres arising from indigenous traditions, ethnographical narratives of the conquest, and major works written during the colonial and emancipation periods.

- Changes to the Catalog in the following Spanish concentration requirements
  - SPA 213 Intermediate Spanish I**
  - SPA 223 Intermediate Spanish II**
  - SPA 315 Spanish Oral Traditions
  - Three (3) upper division units in Spanish

  **Replace with six (6) upper division units in Spanish for students fluent in the Spanish language.

The proposal was approved.

  - Music History III [MUS 324] counts for Non US History
  - MUS 282 and the laptop program count for technology competency.

Transfer students will need to make up units of private lessons, but performance will be required only for semesters in attendance at CBU.

Dr. Howard will work with Shawnn Koning to renumber applied music courses. The School of Music will teach out current students who elect to remain in the existing major once NASM approves the new program. Both program options will be included in the 2006-2007 catalogue. The catalogue will contain a proviso to indicate that the BMUS is not NASM approved as of publication. Students cannot declare the BMUS until it is NASM approved.

The proposal was approved.

- Darrell Passwater proposed that BUS 485 Business Policy and Strategy be removed from the catalogue.

The proposal was approved.

The meeting was adjourned at 4:57 pm.
