Members in Attendance: J. Parker, N. Lewis, S. Studer, D. Jacobs, A. Stumpf, P. Martinez

1. Minutes from the November 26, 2002 meeting were reviewed and approved.

2. The revisions since the last meeting were discussed.

3. The total percentages of academic suspensions will be removed from the Academic Suspensions graph as they are confusing. In addition, an explanation will be added about the revised policy that causes a student to be academically suspended if either the session or cumulative GPAs fall below the requisite level.

4. In the section on evening college graduation and retention rates, the graphs depicting accumulated units and cumulative GPAs will be removed since they don’t contribute to the discussion.

5. Dr. Parker will check with Dr. Luther regarding his input on the “where we go from here” portion of the document.

6. Discussion continued concerning faculty roles and responsibilities as well as faculty voice. These will be part of the agenda in upcoming faculty meetings.

7. The next meeting of this committee will be shortly after the first of the year.

8. The meeting adjourned at 3:41.
