OUR GOAL TO LIGHT THE LANCER AQUATIC CENTER WILL BENEFIT CALIFORNIA BAPTIST UNIVERSITY MEN’S & WOMEN’S SWIMMING & DIVING, MEN’S & WOMEN’S WATER POLO AND THE LOCAL COMMUNITY IN THE FOLLOWING WAYS:

The Lancer Aquatic Center, now almost ten years old, is one of the best collegiate aquatic centers in Southern California. Our facility is in high demand among community aquatics groups and families interested in swim lessons. Lighting the center gives CBU more time to serve the community.

During this economically challenging time, it is difficult for alumni, family and friends to miss work to attend competitions. Lighting the facility will allow Lancer supporters to watch meets and games during the evening.

Increased flexibility in scheduling practice and competitions will allow these student-athletes more opportunities for academic success. Despite scheduling conflicts, these committed students still managed to hold a 3.0 cumulative grade point average last year!

YES, I/WE WANT TO SUPPORT LIGHTING THE LANCER AQUATIC CENTER
