California Baptist University Alumni Association
Membership Levels & Benefits

All memberships (excluding Lifetime Memberships) must be renewed on an annual basis in order to maintain current member status in the CBU Alumni Association. Dual memberships are available at a reduced rate; however, both parties must be CBU Alumni as defined in the Bylaws of the CBU Alumni Association. If a Dual Membership is purchased, each party will receive their own benefits card and all benefits listed under the corresponding membership level. For more information or to purchase your membership, please contact Carrie Smith, Director of Alumni Relations at 951) 343-4439 or csmith@calbaptist.edu. Please note: All benefits are subject to change.
