The arena of athletic competition offers a wonderful public opportunity for our students to exemplify the mission of California Baptist University. CBU athletes are known, not only for their skill on the field of competition, but also for their character and grace.

Whether you are one of our parents, alumni, or a friend of the University, you will want to consider investing in this important project. Each contribution of $250 (single paver) or $500 (double paver) allows you the opportunity to include your name, or the name of a mentor, friend, or family member on a paver for the Walk of Honor that will be part of the Lancer Outdoor Athletic Complex.

NOW AVAILABLE:
